

MIND IN THE MAKING

*The Seven Essential Life Skills
Every Child Needs*

Featuring Ellen Galinsky

April 4, 2012 • 7 p.m.
Quick Center at Fairfield University
1073 North Benson Road • Fairfield, CT

Take a journey into the science of early learning. Author Ellen Galinsky has identified skills from child development research and neuroscience that help children thrive both now and in the future. *Mind in the Making* offers a new approach to understanding how our children learn. We invite you to join us on an inspirational journey as Ellen uncovers the scientific breakthroughs that promote the life skills to help our children succeed.
