UNITED WE WIN

COMMUNITY REPORT 2017
Thank You to our Chairman’s Circle Partners — those companies who invest over $2.1 million in the Coastal Fairfield County community through United Way.
We are grateful to the institutions and individuals who dedicate their time, talent, and financial resources to helping all of Connecticut’s families thrive.

We know the importance of leveraging your philanthropic dollars for results that are transformative – **no more Band-Aids, no more quick fixes!**

Your donation to United Way not only helps families and children in need – it transforms and improves communities.

At United Way we are more than fundraisers, we are game changers; taking on challenges that others think are impossible tasks. At United Way we are fighting for the health, education, and financial stability of every person in every community. We are challenging practices and processes to improve early learning; fix service systems to address the needs of the whole family; increase high school graduation rates; and reduce unemployment among our youth. We are doing what needs to be done, from cradle to career, so families can thrive and children will be successful.

Working with you we are United: No matter the obstacles, no matter the odds.

Thank you for the trust you place in us and for the care you show for those in need through your support.

Most Sincerely,

Merle Berke-Schlessel, Esq.
President & CEO
